

## Mental Health Resources & Support

*The information provided here is to serve as a guide directing you to resources. This does not replace the relationship between you & your doctors or other healthcare professionals. Never delay seeking advice or dialing emergency services.*

### **Crisis Services: Help is available.**

If you need urgent assistance in the US, **call 911**.

For immediate text support 24/7, reach out to the **[Crisis Text Line](#)** by texting **COALITION** to **741741** to connect with a Crisis Counselor for free 24/7 from the U.S or Canada. In the UK text HOME to 85258 and if in Ireland text HOME to 086 1800 280.

In the US you can also call the **[National Suicide Prevention Lifeline](#)** at **1-800-273-8255**. It's free and it's highly confidential, unless it's essential to contact emergency services to help you or your friend stay safe. Nacional de Prevención del Suicidio 1-888-628-9454

In the US you can also call the **[Disaster Distress Helpline](#)** at **1-800-985-5990**. This service is dedicated to providing immediate crisis counseling for people who are experiencing emotional distress related to any natural or human-caused disaster. This toll-free, multilingual, and confidential crisis support service is available to all residents in the United States and its territories.

To search for international crisis services visit the **[International Association for Suicide Prevention: \(IASP\)](#)**. [Here](#) you can find crisis services international.

*More Crisis Services available [here](#).*

### **Screening Tool:**

#### **[Mental Health America](#)**

For an **online screening** that provides a quick snapshot of your mental health [click here](#). If your results indicate you may be experiencing symptoms of a mental illness, consider sharing that with someone. A mental health provider (such as a doctor or a therapist) can give you a full assessment and talk to you about options for how to feel better.

### **To search for Mental Health Professional Services or info on where to start looking for support:**

#### **[Anxiety and Depression Association of America](#)**

To search for a **licensed mental health provider** [click here](#). The licensed mental health providers listed specialize in anxiety, depression, OCD, PTSD, and related disorders.

To find a listing of clinicians who provide **tele-mental health services**, provided by state and their specialty areas, [click here](#).
